

**PERKINS SECONDARY PERFORMANCE INDICATORS
2004-2005**

Core Sub Indicator	Measurement Definition	Performance Level 04-05
1S1 Academic Attainment	<p>Numerator: Number of technical education student concentrators (three CTE credits) who are seniors and who took the state assessment for writing/English and scored proficient (or above) on the test.</p> <p>Denominator: Number of technical education student concentrators (three CTE credits) who are seniors and who took the state assessment for writing/English.</p>	15.30 %
1S2 Technical Attainment	<p>Numerator: Program completers who graduate from high school.</p> <p>Denominator: Program completers who graduate from high school, concentrators who do not complete the program but graduate from high school, students who transfer out of the program, and students who leave without graduating.</p>	53.00%
2S1 High School Graduation	<p>Numerator: Program completers who graduate from high school and concentrators who graduate from high school</p> <p>Denominator: Program completers who graduate from high school, concentrators who graduate from high school, and students who leave high school prior to graduation.</p>	87.53%
2S2 Credential	<p>Numerator: Number of seniors who passed the state skills standards test.</p> <p>Denominator: Number of seniors who took the state skills standards test.</p>	18.70%
3S1 Secondary Placement	<p>Numerator: Program completers who graduate from high school and are placed in employment, postsecondary education, or military</p> <p>Denominator: Program completers who graduate from high school.</p>	80.51%

4S1 Nontraditional Participation	<p>Numerator: Female and male concentrators enrolled in programs that lead to nontraditional employment for females and males.</p> <p>Denominator: Total enrollment in programs that lead to nontraditional employment for females and males.</p>	21.38%
4S2 Nontraditional Completion	<p>Numerator: Males and females who graduated from high school and completed programs and that lead to nontraditional employment for males and females.</p> <p>Denominator: Total completers who graduated high school in programs that lead to nontraditional employment for females and males.</p>	22.96%

				02-03 Performance Objective	03-04 Performance Objective		Exceeds/ Met/Not Met
1S1 Academic Attainment	<p>Numerator: Number of tech ed students (concentrators) who are seniors and took the state assessment for writing/English and scored proficient or above on the test. This is the only score available for seniors who will be leaving secondary education.</p> <p>Denominator: Number of tech ed students (concentrators) who are seniors and who took the state assessment for writing/English</p>		<p>Not a TEDS Report Test results provided from CATS</p> <p>Not a TEDS Report Test results provided from CATS</p>	12.00%	13.00		
1S2 Technical Attainment	<p>Numerator: Program Completers (who graduate from high school)</p> <p>Denominator: Program completers who graduate from high school, concentrators who do not complete program but graduate from high school, students who transfer out of the program and students who leave program without graduating</p>	<p>Termination Status Report</p> <p>Program Completion Report</p>	<p>Dupe/Non=Non-dupe Objective=preparatory Ed level=12th grade Termination status = completer and hs grad</p> <p>Dupe/Non=Non-dupe Objective=preparatory Ed level = high school</p>	51.00%	52.00%		
2S1 School Graduation Completion	<p>Numerator: Vocational program completers who graduate and vocational program concentrators who graduate</p> <p>Denominator: Vocational student graduates (concentrators and program completers) and vocational students who leave prior to graduation</p>	<p>Termination Status Report</p> <p>Program Completion Report</p>	<p>Dupe/Non=Non-dupe Objective=preparatory Ed level=12th grade</p> <p>Dupe/Non=Non-dupe Objective=preparatory Ed level = high school</p>	69.99%	70.99%		
2S2	<p>Numerator: Number of seniors who passed the state skills standards test</p> <p>Denominator: Number of seniors who took the state skill standards test</p>		Dupe/Non=Non-dupe Objective=preparatory Ed level=12 th grade	16.70%	17.70%		
3S1 Placement	<p>Numerator: Vocational program completers who graduate from high school and are placed in employment, postsecondary education or military</p> <p>Denominator: Vocational student program completers who graduate from high school</p>	Statistical/ Employment Status Report	<p>Dupe-Non=Non-dupe Objective=preparatory Ed level=12th grade Termination status= completer and hs grad</p> <p>Dupe/Non=non-dupe Objective=preparatory Ed level=12th grade</p>	78.51%	79.51%		
4S1 Participate in Nontraditional Programs	<p>Numerator: Females and males (concentrators) enrolled in non-traditional occupational preparation programs</p> <p>Denominator: Total enrollment in programs that lead to non-traditional employment.</p>	<p>Enrollment Report</p> <p>Enrollment Report</p>	<p>Dupe/Non=non-dupe Objective=preparatory Ed level=12th grade Non-Trad checked for appropriate gender</p> <p>Dupe/Non=non-dupe Objective=preparatory Ed level=high school</p>	20.38%	20.88%		

				02-03 Performance Objective	03-04 Performance Objective		Exceeds/ Met/Not Met
4S2 Program Completion of Nontraditional Programs	<p>Numerator: Males and females who completed a nontraditional program</p> <p>Denominator: Total program completers in programs that lead to non-traditional employment.</p>	<p>Program Completion Report</p> <p>Program Enrollment Report</p>	<p>Dupe/Non=non-dupe Objective=preparatory Ed level = 12th grade Termination status=completer and hs grad Non-Trad checked for appropriate gender</p> <p>Dupe/Non=non-dupe Objective=preparatory Ed level = 12th grade Non-Trad checked for appropriate gender</p>	21.96%	22.46%
